Subject: [External] Fwd: Demographic Data on AYGS students
Attachments: AYGS Disadv 5 years.xlsx

For Governor's schools, there is a proposed budget language which we passed this session and it states that "Each Academic Year Governor's schools shall set diversity goals for its student body and faculty, and develop a plan to meet said goals in collaboration with community partners at public meetings. Each school shall submit a report to the Governor by October 1 of each year on its goals and status of implementing its plan. The report shall include, but not be limited to the following: utilization of universal screenings in feeder divisions; admission processes in place or under consideration that promote access for historically under-served students; and outreach and communication efforts deployed to recruit historically under-served students. The report shall include the racial/ethnic make-up and socioeconomic diversity of its students, faculty, and applicants."

Attached is an excel file for what VDOE gave me for the last five years.
